

5 March 1946

CENTRAL PLANNING STAFF

PLANNING DIRECTIVE NO. 2

SUBJECT: Census Bureau Conference

1. The Problem:

Inclosed memorandum of 4 March 1946, from Admiral Souers to Acting Chief, Central Planning Staff, suggests that as soon as an appropriate Planning Staff officer is available, we advise Dr. Jaffe that we are in position to arrange the conference he mentioned during his visit of 26 February.

2. Planning Requirements:

Immediately upon activation the Intelligence Branch will communicate with Dr. Jaffe and carry out the above suggestion. If Dr. Jaffe's arrangements have not been completed, the Branch will submit a draft of invitation for the conference, furnishing a copy to the Policy and Review Branch for review. The Deputy Chief will arrange the review conference, after ascertaining the Chief's wishes as to time.

3. Deadline:

An informal report to the Deputy Chief will be made by 8 March.
